

Kirami Residential Aged Care

Costs and fees | Effective from 1 April 2024

Kirami is located amongst an abundant, peaceful bushland setting in the heart of Hervey Bay. Your place in this special part of the world, away from the bustle of the city, is just a block from the esplanade and ocean shore. Your room has views and opens onto the beautiful subtropical gardens.

Kirami provides excellent 24-hour nursing and care assistance and also provides special accommodation and recreational amenities for those living with dementia. Short-term residential respite is also available.

Kirami is in close proximity to hospitals, shopping facilities and bayside recreational opportunities.

About Kirami community

Kirami is arranged in six wings, each with its own dedicated lounge, dining room and servery.

A specifically designed wing enables residents with dementia to live comfortably and securely.

All rooms have views or open onto lovely sub-tropical gardens and residents are encouraged to make their rooms their own.

Kirami's large central area features weekly concerts and music sessions, regular craft sessions, bingo and other board games co-ordinated by our experienced leisure and lifestyle specialists. Our broad variety of activities are organised in conjunction with our residents. Pre-entry discussions enable our staff to identify leisure interests so that our programs can be tailored and regularly changed to suit the preferences and care needs of the residents.

A range of allied health professionals regularly visit Kirami, including an occupational therapist, physiotherapist, podiatrist, dentist, optometrist, audiologist, speech therapist and a dietitian. A hairdresser is available on-site by appointment.

Spiritual and pastoral care is available for residents and their families in addition to weekly Anglican and monthly Catholic liturgies held on-site.
