About St John's Home for Men community

A generous central community space provides an ideal environment for residents to enjoy indoor games and other activities.

A range of allied health professionals regularly visit St John's, including an occupational therapist, physiotherapist, podiatrist, optometrist, dentist, audiologist, speech therapist and a dietitian.

A hairdresser is also available on-site by appointment.

Our leisure and lifestyle specialists coordinate a broad variety of activities in conjunction with the residents. Pre-entry discussions and feedback from our residents enable our staff to identify leisure interests so that our programs can be tailored to suit residents' preferences.

St John's also offers a full commercial on-site kitchen that provides freshly prepared meals which are delivered to our dining rooms. Special meals are prepared to mark cultural events, cater for special dietary requirements and special occasions. Our on-site laundry provides clothes washing services for all residents.

Anglican and Catholic church services are held monthly, with clergy from other denominations visiting as required.

Fully qualified spiritual and pastoral carers are on hand at St John's to assist both residents and their families.
