Effective from 1 July 2025

## Our E.M. Tooth community

Set in the beautiful bayside suburb of Manly, E.M. Tooth offers a peaceful and welcoming environment with recently refurbished rooms, expanded communal areas, and memory support gardens for relaxation. The home is designed for comfort and community, allowing residents to enjoy the fresh sea breeze, socialise in communal lounges, or participate in a range of recreational activities.

High-quality, person-centred care is our priority. Our experienced clinical care team provides 24-hour nurse support, allied health services, specialised medical care, and dementia care, all focused on supporting your independence and wellbeing.

Nutritious, home-style meals are freshly prepared on-site, catering to individual dietary needs, cultural preferences, and special occasions. Menus are planned in consultation with residents and nutritionists, ensuring a balance of fresh, seasonal produce and a variety of flavours.

Rooms at E.M. Tooth are designed to be comfortable, private, and homely. Residents are encouraged to bring personal belongings to make their space their own. Rooms, including newly built and refurbished options, feature air conditioning, in-room storage, wall-mounted digital televisions, and safety systems like nurse call buttons.
