

Meilene Residential Aged Care

Costs and fees | Effective from 1 July 2024

Located in Kalkie, halfway between the Bundaberg CBD and the beautiful coastal suburb of Bargara, our fully accredited home, Meilene, features expansive landscaped gardens, along with a co-located retirement village. Meilene features a variety of outdoor recreational areas and community facilities. The home offers residential aged care focused on providing trusted 24-hour nursing and care assistance and provides special accommodation and recreational amenities for those living with dementia. Short-term respite is also available.

About Meilene community

The home comprises three different 'houses', each with comfortable lounge and sitting areas, a dining room and kitchen servery. The houses are home to between 24 and 32 residents, each with their own single room and private ensuite.

In addition to facilities in each house, a number of outdoor areas are available with a large central community area that is used for concerts, celebrations, church and group activities.

A range of allied health professionals regularly visit Meilene, including an occupational therapist, physiotherapist, audiologist, podiatrist, speech therapist and a dietitian. A hairdresser is available on-site by appointment.

Our leisure and lifestyle specialists coordinate a broad variety of activities in conjunction with our residents. Pre-entry discussions enable our team to identify leisure interests so that our programs can be tailored and regularly changed to suit residents' preferences and compliment residents' care needs.

Meilene offers a full commercial on-site kitchen that provides freshly prepared meals which are delivered to our dining areas. Special meals are prepared to mark cultural events and cater to special dietary requirements and special occasions. Our on-site laundry also provides laundering services for all residents.

Fortnightly Anglican Church services are held, with clergy from other denominations visiting as required. Our Spiritual and Pastoral Care Coordinator is on hand to assist both residents and their families.
