

St Martin's Residential Aged Care

Costs and fees | Effective from 1 April 2024

Nestled within our leafy campus at Taigum, north Brisbane, our fully accredited home, St Martin's, features landscaped gardens and a range of recreational facilities. Extending across three integrated wings, St Martin's offers residential aged care focused on providing excellent 24-hour nursing and care assistance. The home also caters for people living with dementia who have more complex needs, as well as those who are physically frail or require palliative care.

The home is located close to neighbourhood shops and situated on public transport routes.

About St Martin's community

Each wing of St Martin's includes a communal area for both living and dedicated dining. The home also features a large community hall where many group activities take place.

A range of allied health professionals regularly visit St Martin's, including an occupational therapist, physiotherapist, podiatrist, dentist, optometrist, audiologist, speech therapist and a dietitian. A hairdresser is available on-site on a weekly basis and our music therapist conducts individual and group sessions for the benefit of our residents.

Our leisure and lifestyle specialists coordinate a broad variety of activities in conjunction with the residents. Pre-entry discussions enable our staff to identify leisure interests so that our programs can be tailored to suit residents' preferences.

St Martin's has many bilingual staff members who cater for residents whose first language is not English. Frequent visitors from a variety of cultural backgrounds enable residents to keep in touch with their own languages through conversation and interaction.

Our Taigum campus provides freshly prepared meals, which are delivered to our dining areas. Special meals are prepared to mark cultural events, cater for special dietary requirements and special occasions. Our on-site laundry provides clothes washing services for all residents.

There is a weekly Anglican liturgy, and a Catholic priest and representatives from other denominations regularly visit the Taigum home. Anglicare Southern Queensland provides spiritual and pastoral carers to support residents and their families.
