Community Fundraising

Your *Support* can make a difference

1300 244 683 anglicaresq.org.au

I want to *support an organisation that supports others*
I just need an organisation who *supports what I support*

With your help, Anglicare Southern Queensland can continue to deliver community services to those who need it most. We're committed to supporting those in need to live the life that they want.

We are encouraging schools, parishes, services and community groups to host fundraising events. With the money you raise, we can continue to deliver our vital services to the thousands of people across Queensland who are at-risk, vulnerable or disadvantaged. You can raise funds for any specific Anglicare group you would like to help including; Help at Home, Residential Aged Care, Retirement Communities, Disability Support, Family Wellbeing, Foster Care Services, Mental Health and Wellbeing Services, Youth Services and Homelessness Services. It's completely up to you where your support goes.

I want to give my *time to help others*
I just need to know what *I can do* **to help**

We understand you want to give your time to support people that are disadvantaged in the community, and sometimes it's difficult knowing what you can do to help. We want to make it easy for you, that's why we have put together a list of ideas or you can come up with your own fundraising idea – it's completely up to you!
