Your Home in Brisbane's Bayside

Anglicare
Southern Queensland

150
YEARS

Caring for Queenslanders

For over 150 years, our Anglicare Southern Queensland staff have connected with people at every stage of their life journey, responding with care and compassion to our community members who need support.

With eight thriving aged care communities throughout Brisbane and regional centres including the Gold Coast, Toowoomba, Hervey Bay and Bundaberg, Anglicare Southern Queensland is ready to provide you with the support you need.

Our residential aged care philosophy recognises each person living in our care as an individual, with their own unique story and diverse needs. The Rhythm of Life™ care model embraces this philosophy every day in our homes, providing individualised care, choice and independence to enrich your quality of life. We also incorporate your interests and passions into our planned activities so you can continue to do the things you love.

Anglicare Southern Queensland has been recognised for the high quality care and commitment of our staff in the services they deliver to older Queenslanders.

For two years in a row, we have received the Most Trusted Brand Award for Aged Care and Retirement Villages in Queensland. We have also received a Silver and Gold Standard for Quality Service in Aged Care and Retirement. Providing quality care and support for Queenslanders is at the heart of who we are.

*Independent researcher, Catalyst Research. As voted by the Australian public, 2019-2020.

“The people are lovely. Everybody knows me. I have been here for more than four years. My friend’s mother was at E.M. Tooth and I visited her regularly. After I suffered an injury, my friend suggested I come here.”

Mutzi – E.M. Tooth resident

Joe’s Story

“In 2008 I lost my wife and I have never been any good after that. So I moved here and started in an independent unit, where I had my own kitchen. I was quite lonely on my own so I moved into a single room in early January to be around others.

I go on most bus trips to various clubs and recently Fort Lytton. I reckon it’s really good here. It’s perfect.”

E.M. Tooth resident Joe with Cath, Anglicare Carer

We understand that moving into an aged care home can be overwhelming.

When you choose E.M. Tooth Memorial Home, you will be part of a supportive community, where you can continue to do the things you love and have the peace of mind that you are receiving the best of care.

Living at E.M. Tooth

Edwin Marsden Tooth Memorial Home (E.M. Tooth) is conveniently located near the esplanade and bay shores of Manly. Modern, bungalow-style, independent living units, known as Lota Court, are also nestled on the hillside of the property. The landscaped grounds include the heritage listed Georgian-style Lota House. Home to 101 residents, E.M. Tooth has recently been modernised and extended, creating a more family-orientated experience for residents and visitors.

Our qualified and caring staff assist in fostering a loving community and friendships through activities and a variety of social hubs. Residents can catch sea breezes in the shaded al fresco area while meeting family and friends, or relax in the common lounge rooms. Other social hubs include the dining areas, cinema room, Chapel and self-serve café.

At E.M. Tooth we go to great lengths to make you feel at home and know your life experience is valued and respected.

E.M. Tooth is a fully accredited residential aged care home.

Features:

- 24-hour nursing and care services
- Dementia support including accommodation and recreation
- Allied health services
- Respite support
- Large landscaped grounds
- Hairdresser and hairdressing salon
- Social activities and outings
- Regular church services at the onsite chapel
- Spiritual and pastoral support.

Your Wellbeing

Your care and wellbeing is at the heart of everything we do.

Rhythm of Life™ - Our Care Model

Our staff regularly engage with residents and their families to understand how we can do better on our journey for excellence. Our standards of care are lived through the philosophy and principles of our Rhythm of Life™ care model – embracing the power of individualised care by genuinely including people’s interests and passions into their daily experiences.

Our Philosophy

“The care we offer responds to the diverse needs and choices of the people we serve. Rhythm of Life™ supports autonomy, dignity and encourages people to form and strengthen partnerships of care”.

Our Principles

Everybody has a unique story

Everybody deserves honour and respect

Everybody will be supported in decisions relating to their life

Everybody will be encouraged to maintain and develop relationships that are meaningful

Everybody will be provided with holistic care that meets their individual needs

Everybody will be supported to feel safe, comfortable, welcome and ‘at home’

Everybody will have their needs and preferences acknowledged and valued

Our Standards of Care

We are committed to excellence in care; contemporary practice and care models with an ongoing process for continuous improvement. We are committed to maintaining the level of care and resident outcomes outlined by the Aged Care Quality Standards set by the Aged Care Quality and Safety Commission. We regularly monitor feedback and outcomes to ensure we continually improve our services and meet your expectations.

Your Right to Choose

We aim to work in partnership with you and your family by respecting your identity, choices about your life and how you would like to live each day. Our staff will work with you to ensure your decisions about care and services and your right to take risks is well-balanced, well-informed and agreed upon.

Our Initiatives

Some examples of our commitment to individualised care include:

- flexible breakfast times and lunches of choice
- resident committees to assist in decision making for the home
- food forums to discuss menu ideas
- activity boxes including craft and games that are accessible anytime.

“I enjoy the self-serve café. Making a hot cuppa and reading my book is the best.”
John

Your Care

When you join us, our Care Coordinator or Clinical Nurse will meet with you regularly to develop your care plan. We work on this together to make sure all your individual needs are met.

You will continue to have every opportunity to tell us how you would like to be involved in all aspects of daily life and care.

Keeping your family or significant other informed about changes to your care is very important. It is our practice to let your family know if there are any changes to your health or medication. Likewise, if you go to see a doctor or allied health service outside of the home, we like to be kept informed to ensure you receive the best holistic care.

Understanding who you are as an individual, what you like to do, how you like to live each day and what is meaningful in your life – matters to us. We are here to support you so you can continue to do the things you love in your new home and live the life you want.

Our team of clinical staff provide person-centred, evidence-based care 24 hours a day, within a supportive environment.

There are also a range of allied health professionals that regularly visit E.M. Tooth including a physiotherapist, podiatrist, dentist, audiologist, speech therapist and dietitian.

We will support you to maintain your own doctor to visit you at the home. If this service is not available to you, we have a number of doctors who visit the home regularly.

“It feels good to have my independence. I go for walks along the esplanade and catch the bus to the shops.”
Margaret

Your Food

All our meals are prepared in our on-site commercial kitchen, in accordance with National Food Safety Standards and in consultation with a nutritionist. Our menus are carefully planned with nutrition, fresh produce and variety in mind.

We review menus regularly, run food focus groups and encourage feedback from our residents to understand what they like and if they have any new meal ideas.

Special dietary requirements are catered for including individual and cultural needs.

Your Community

Our leisure and lifestyle specialists coordinate a broad variety of activities with the residents. Pre-entry discussions and feedback from our residents helps our staff to identify leisure interests so our program can be tailored to suit preferences.

Communal areas including the dining rooms, lounge rooms library, and cinema are also opportunities to connect with others.

A fully qualified spiritual and pastoral carer is available to provide spiritual support for both residents and their families.

Our Rooms

Your comfort and creating a home environment that suits you is important to us.

The home has recently been extended and refurbished, with the construction of new rooms and the refurbishment of existing rooms.

All our rooms have television and telephone points. Our installed safety systems include nurse call and fire safety services.

We offer three room types to suit your needs:

Single ensuite (new) room

- Medium sized air conditioned single room (15m² to 20m²) with private ensuite.
- Each room is equipped with a wall-mounted digital television.
- Located adjacent to lounge and dining spaces.
- In-room storage, including built-in wardrobe with shelving and chest of drawers.

Single ensuite standard (refurbished) room

- Medium sized air conditioned single rooms (15m² to 20m²) with private ensuite.
- Each room is equipped with a wall-mounted digital television.
- Located adjacent to lounge and dining spaces.
- In-room storage, including built-in wardrobe with shelving and chest of drawers.

Single ensuite memory support (refurbished) room

- Medium sized air conditioned single room (15m² to 20m²) with private ensuite.
- Each room is equipped with a wall-mounted digital television.
- Located adjacent to lounge and dining spaces.
- In-room storage, including built-in wardrobe with shelving and chest of drawers.

We understand that there are many things to consider when you move into a residential aged care community. We would love to show you around E.M. Tooth so you can make an informed decision about your care.
