

### Taranaki Timebank, New Zealand

Upsewing Taranaki is one of the regular groups within the Taranaki Timebank. It is a unique and creative group for all sewing levels, designed to repurpose and upcycle cloth and clothing. With a focus on 'stitching not ditching', this group offers a space for members to come together and work on their own projects, or upsew projects for the community. The group meets monthly as well as hosting several holiday events.

### Our Time Bank, United States

Westside Repair Café, based in Los Angeles, connects members who have broken household items to other handy members who will assist and demonstrate repairs. Items are diverted from landfill and community members are also upskilled! Repair events are held bi-monthly, and repairs range from bike and scooter repairs, clock repairs, various appliances repairs and general repair advice.

### Rushy Green Timebank, United Kingdom

Rushy Green Timebank coordinates several group activities including their very own Timebank choir, art group and coffee club and boardgames group. Rushy Green Timebank also partners with FoodCycle, an organisation helping to reduce food waste by making use of donated surplus supplies and ingredients to create healthy meals. The Timebank volunteers take these supplies and create a shared meal experience every week with community members in need.
