ASQ RESEARCH SEED GRANTS APPLICATION FORM

OVERVIEW: The ASQ Research Seed Grants Program provides preliminary funding for innovative research projects consistent with the organisational commitments, focus areas and strategies outlined in Anglicare’s 2023-25 Strategic Plan.

Information on applying for ASQ’s Research Seed Grants Program is available at [Research at Anglicare SQ](#). Applicants must read the [Research Seed Grants Application Guide](#) prior to completing this application form.

ASQ will consider applications that:

- meet eligibility requirements set out in the [Research Seed Grants Application Guide](#).
- support ASQ’s strategic priorities
- are deemed by the review panel to be consistent with the ASQ’s vision, mission and values.

Only complete applications will be considered. Once a decision has been made, all applicants will be notified via email. Unsuccessful applicants may be invited to re-apply in the next funding round.

HOW TO SUBMIT YOUR APPLICATION: Please ensure that your application is clear, concise and complete. Attach any supporting documents or information. Submit an electronic copy of the completed application form and attachments to the Research & Advocacy team via research@anglicaresq.org.au. If additional information is required, a team member will contact you to discuss.

If you have any queries about the information outlined or requested in this application form, please contact the Research & Advocacy team at research@anglicaresq.org.au.

INFORMATION COLLECTION NOTICE: The information you provide on this application form will be used by ASQ to assess and manage your application. The information will be managed in accordance with the [Australian Privacy Principles](#) in the [Privacy Act 1988](#) (Cth) (Act). A privacy statement detailing ASQ’s use, and management of personal and sensitive information is available [here](#).
