RE: Upcoming construction at EM Tooth and impact to access in our home

Dear residents and loved ones,

As part of our ongoing communication, I am writing to advise you of some upcoming construction work changes that may temporarily impact your access around our home.

FKG Group Site Closure

- Our construction partners will temporarily close the construction site from **19 December 2025 - 5 January 2026** over the holiday period.
- Please continue to access our home via the Oceana Terrace driveway as marked in **blue** below.

Parking at our home

- We continue to have a limited number of visitor parking spaces available. Please keep this in mind over the holiday season, as we anticipate an increase in family visits. Street parking along Oceana Terrace will remain available.
- **Please note**, reserved car parks will remain available exclusively for visitors with mobility needs.

We thank you for your patience during the construction period and will continue to provide project and

construction updates to you. For more information about the Village Manly, please visit www.thevillage.com.au.

Please do not hesitate to contact enquiries@anglicaresq.org.au should you have any questions in regards.

Wishing you all a happy holiday season,

Suzette Scriven
Facility Manager, E.M. Tooth Memorial Home
